EDUCATION

HIGHER TECHNICAL DEGREE IN SOFTWARE DEVELOPMENT

Inst. Sup. Domingo Guzman Silva (2021-today)

EXPERIENCE

Personal Projects

I have many personal projects that I do both for my career and in my free time to constantly keep learning and gain experience, such as interactive clocks, todo lists, and my own website. (All of them can be found on my github profile.)

QA Analyst Course

In the month of January and February 2023 I was taking a QA Analyst course in which I learned many technical and soft skills focusing on practice and teamwork.
